THE INSOLVENCY Co

Are you a solicitor who has identified a client who may be experiencing any of the following:

- Creditor pressure or being pursued for a large debt they cannot pay, including HMRC
- Difficulty recovering monies owned from insolvent individuals or companies
- Looking to restructure, dissolve or sell their business
- Business Exit Planning (Members Voluntary Liquidations) or looking to retire
- Financial difficulties due to divorce or other reasons
- Received an inheritance and wish to make a lump sum offer to settle their debts

The Insolvency Company is a family-run, licensed insolvency practice who work with individuals and businesses across the UK to resolve their financial difficulties through professional, accredited business and insolvency advice and support.
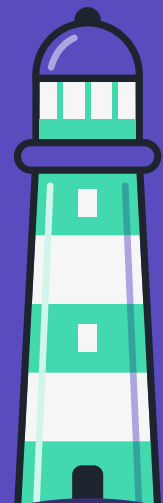

We work collaboratively with professionals like you to help give your clients the specialist information, advice and support they require at an early stage to achieve the best possible outcome for all involved.

We pride ourselves in our confidential, empathetic and compassionate service. The Insolvency Company believes in supporting businesses through recovery or, if closure is unavoidable, to start again. Thus, enabling you to keep them as a client moving forward.

THE INSOLVENCY Co

Working with us may help you to:

- retain your client
- recover unpaid invoices
- generate income – we pay for your legal assistance with the case
